POWER TOOLS FOR ONLINE PUBLISHING

WAIS Inc provides interactive online publishing systems and services to organizations that publish information. WAIS Inc develops and markets WAISserver (tm), which unlocks the content behind a Web server. Anyone on the Internet can easily read the information published via WAIS by using a wide variety of "clients" or "viewers" (such as WAIS, Mosaic, Netscape, Gopher, or Relevant Personal Edition). WAISserver provides the search capabilities to most popular clients. **Try a search yourself.**
